Extended Warranty

Showtime has the most knowledgeable and well-trained in-house technical support department in the area. Unlike other retailers, we don't send computers back to the manufacturer—we fix it, fast!

Extended Warranty Plan includes:

1. Free remote technical support for the duration of your Warranty
2. In-shop service is covered 100%, excludes virus removal
3. Expedited replacement of all parts in your system
4. Express service for any Repair 1-2 Days

ONE YEAR \$89.00 or TWO YEARS \$169.00

Barebones or Pre-System?

A barebone includes only a motherboard, case, power supply .

A pre-system included everything you need for a working machine, without an operating system. Pre-systems are a great choice for someone that already has a Windows operating system or is looking to install UNIX, Linux or BSD
